

# MISSION STATEMENT

## Mission Statement

Compassion is one of our strong points at Mendco Construction Co. We care about your loss and show concern for your property. A fire or water loss can quickly destroy some of your most treasured belongings. We understand the trauma property owners experience when disaster strikes.

Our experts will work with you and your insurance company to quickly restore your home or business. Mendco Construction Company will always keep you informed while we restore your property. There will always be a Mendco Construction Co. representative to efficiently and effectively answer your questions and to make you feel at ease.

Mendco Construction Co. will provide a turnkey operation for any size residential or commercial job. We are the only call that you need to make to restore your property. Our experienced professionals will guide you through your loss in a caring and unforgettable fashion.
